SKILLS JavaScript, Python, React, Redux, Node.js, Express.js, SQL, SQLite3, Git

PROJECTS

Eternal Note | *(React/Redux, Flask, Python)*

[live](#) | [github](#)

- Generated an application that allows you to organize, and record info
- Conquered challenges with this project working with new syntax after one week of learning Python
- Implemented an agile workflow while maintaining and improving time/project management techniques

Rendezvous | *(ReactJs, Redux, Node.js, Express.js)*

[live](#) | [github](#)

- Generated a collaborative clone of MeetUp that allows people to create groups and events
- Executed quality time management and workflow etiquette
- Created first career project within a timeframe of one week

MidCupid | *(React/Redux, Flask, Python)*

[live](#) | [github](#)

- Generated a dating clone that allows the user to choose people based on their preferences.
- Overcame challenging obstacles through teamwork and leadership skills.
- Showcased excellent Git version control as a team utilizing proper communication and collaboration

EXPERIENCE

Warehouse Associate

Amazon

May 2022 - Present

- Received and stored inventory
- Loaded boxes into trucks for shipment
- Used scanners to read bar codes on products and troubleshoot problems
- Viewed prompts on screens and followed the direction for specific tasks

Physical Education Teacher

Houston Independent School District

Aug 2019 - May 2022

- Worked with an external grading database to input, distribute, and manage grades for 500+ scholars
- Submitted lesson plans/events on a weekly basis with respective team leads/members
- Engaged in physical activities weekly ensuring scholars know about healthy living and active lifestyles

EDUCATION

AppAcademy - Graduate of the September 2022 cohort
